

12th Annual Meeting of the

AMERICAN SOCIETY OF

FUNCTIONAL NEURORADIOLOGY

October 15-17, 2018

Hotel del Coronado Coronado, California

20.0 AMA PRA Category 1 Credit(s)TM

Optional BOLD Functional MRI Hands-On Workshop

October 14, 2018

 $7.25~AMA~PRA~Category~1~Credit(s)^{TM}$

Workshop attendance is limited to the first 25 Registrants

from the **President and Program Chair**

Please plan to attend the American Society of Functional Neuroradiology (ASFNR) 12th Annual Meeting to be held October 15-17, 2018 at the Hotel del Coronado in San Diego, California. An optional "hands-on" BOLD fMRI workshop will be conducted on October 14.

The ASFNR Annual Meeting will provide attendees with an unparalleled opportunity to receive instruction in the rapidly evolving field of functional neuroimaging and related disciplines. The program will appeal to a multidisciplinary group of professionals interested in neuroimaging including: neuroradiologists, neurologists, neurosurgeons, medical physicists, biomedical engineers, neuropsychologists, cognitive neuroscientists, clinical and research fellows, residents, doctoral and postdoctoral students, and radiology technologists.

During the $2\frac{1}{2}$ day meeting, educational opportunities will include lectures, panel discussions, oral research paper presentations, posters, and small group study sessions. Instruction will be provided by an outstanding group of internationally recognized experts in the field.

I'm pleased to announce that this year's honorary lecturer will be Kamil Ugurbil, PhD from the Center for Magnetic Resonance Research at the University of Minnesota. Dr. Ugurbil, known for his groundbreaking work in BOLD fMRI and ultrahigh field MR imaging, will be sharing insights and perspectives gained through his integral involvement with the Human Connectome Project and the NIH BRAIN initiative.

Additional highlights of this year's program include:

- Updates on clinical BOLD fMRI for pre-surgical mapping including advanced anatomic considerations, multiband data acquisition, cerebral vascular reactivity imaging, and ultrahigh field fMRI.
- Advances in diffusion imaging including clinical application of diffusion tensor imaging and other diffusion based microstructural imaging techniques.
- · New perspectives on cerebral perfusion imaging, radiogenomics, and other advanced methods of brain tumor analysis.
- An exploration of neuropsychiatric imaging.
- Best recommendations for pediatric functional neuroimaging methods.
- · A look into the quickly evolving role of artificial intelligence in advanced neuroimaging.

This year, the popular pre-meeting ASFNR "Hands-On" BOLD fMRI data processing workshop, chaired by Dr. Scott Faro and Dr. Feroze Mohamed, will be expanded to include processing of resting state functional connectivity data. Registration is limited and demand is always high, so be sure to register early for this unique training opportunity.

The setting for this year's meeting is the beautiful Hotel del Coronado, an iconic beach resort across the bay from the city of San Diego. A short 20-minute drive or taxi ride from the San Diego International Airport, the facility offers a tranquil seaside setting with several dining opportunities and a beautiful beach. San Diego itself is one of the premiere tourist destinations in the United States and is famous for its wonderful weather throughout the year. The city provides a virtually endless palate of activities to satisfy all tastes. Whether your preferred leisure is outdoor adventure, athletics, fine dining, shopping, family theme parks, or simply enjoying a relaxing sunset stroll down the beach, San Diego has it all.

I look forward to seeing you at the Hotel del Coronado in October.

Kirk M. Welker, M.D. President and Program Chair

Target Audience

This CME activity is intended to educate anyone interested in functional neuroimaging including neuroradiologists, neurologists, neurosurgeons, neuropsychiatrists, cognitive neuroscientist and psychologists, brain mapping scientists, physicists, residents, fellows, doctoral and postdoctoral students, engineers, and radiology technologists.

Scientific Sponsor

Educational Symposia

Educational Objectives

Attendees should, at the completion of this meeting, be able to:

- Understand the physics, clinical application, and limitations of the following imaging techniques: active task and resting state BOLD fMRI, diffusion-weighted imaging, diffusion tensor imaging, dynamic susceptibility contrast perfusion imaging, arterial spin labeling, and ultrahigh field MRI.
- Apply advanced diagnostic functional imaging techniques in a variety of disease processes including epilepsy, brain tumors, cerebrovascular disease, traumatic brain injury, neuropsychiatric disease, and chronic neurodegeneration.
- Describe the current and future impact of artificial intelligence on the practice of neuroradiology.
- Use advanced functional imaging techniques for the benefit of pediatric patients.

No special educational preparation is required for this CME activity.

Accreditation

Physicians: This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education through the joint providership of Educational Symposia and the American Society of Functional Neuroradiology. Educational Symposia is accredited by the ACCME to provide continuing medical education for physicians.

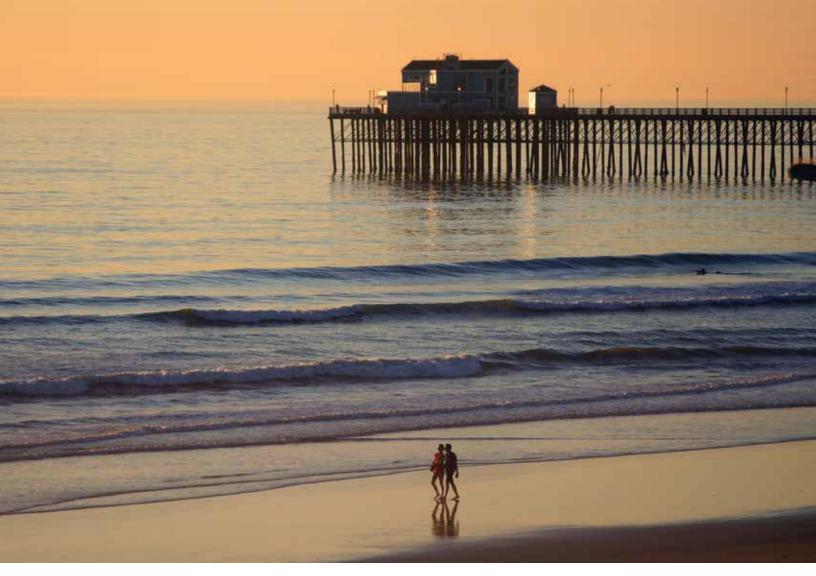

Educational Symposia designates this live activity for a maximum of 20.0 AMA PRA Category 1 Credit(s)TM. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Technologists: This program has been submitted to the ASRT. The number of A CE credits will be available approximately 30 days prior to the meeting. Please visit asfnr.edusymp.com or call (813) 806-1000 regarding the availability of Category A CE Credit.

Registration Information

Payment of the registration fee includes all meeting materials, including a color e-syllabus (printed color syllabus is available for \$95), welcome reception, daily continental breakfasts, and refreshment breaks.

Cancellations must be received in writing. A \$75 processing fee will be applied to all cancellations. Refunds requested in writing prior to October 4, 2018 will be issued for the amount of registration paid, less the \$75 processing fee. No refunds will be made on or after that date.

Optional BOLD Functional MRI Hands-On Workshop • October 14, 2018

About This Workshop

This workshop will provide a practical step-by-step post-processing of BOLD fMRI studies with SPM12 software and data presentation.

Target Audience

This CME activity is intended to educate neuroradiologists, neuroradiology fellows, physicists, clinical psychologists and MR technologists. The workshop is intended for those with beginner to intermediate level fMRI experience.

Educational Objectives

Attendees should, at the completion of this workshop, be able to perform the following:

- · Preprocessing of BOLD fMRI Data
 - Realignment/Coregistration
 - Spatial Normalization
 - Smoothing
- Single Subject Analysis
 - Model Specification
 - Model Estimation
 - Visualization of the BOLD fMRI Data
- · Resting State fMRI
 - Preprocessing of Resting state data
 - Post processing strategies

No special educational preparation is required for this CME activity.

Accreditation

Physicians: This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Educational Symposia and the American Society of Functional Neuroradiology. Educational Symposia is accredited by the ACCME to provide continuing medical education for physicians.

Educational Symposia designates this live activity for a maximum of 7.25 AMA PRA Category 1 Credit(s)TM. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Technologists: This program has been submitted to the ASRT. The number of A CE credits will be available approximately 30 days prior to the meeting. Please visit http://asfnr.edusymp.com or call (813) 806-1000 regarding the availability of Category A CE credit.

Hardware/Software Requirements

Registrants are required to bring to the workshop their own laptop with a minimum 2G of RAM and 10G of hard disk space. The machines should have preloaded SPM12 and MATLAB software prior to the workshop. DICOM BOLD fMRI practice data sets will be available at the workshop. All registrants will be given instructions on downloading SPM12 and the 15-day free MATLAB license prior to the workshop.

PROGRAM SCHEDULE

Monday, October 15, 2018		Monday, October 15, 2018 (continued)		Tuesday, October 16, 2018		
6:30 – 7:00 AM	Registration, Continental Breakfast and Visit Technical Exhibits	12:15 – 12:30	Question and Answer Session Faculty	7:00 – 8:00 AM	Registration, Continental Breakfast and Visit Technical Exhibits	
PHYSICS PRIMERS Moderators: Asim Z. Mian, M.D., Warren A. Stringer, M.D., Michael Iv, M.D.		12:30 – 1:30	Lunch and Learn Session (TBD) or Lunch on Your Own ♦	7:00 – 8:00	Oral Paper Presentations ♦ <i>Moderators:</i>	
		VICTOR M. HAUGHTON, M.D. HONORARY LECTURE			Erin Simon Schwartz, M.D., FACR, Michael Zeineh, M.D., Ph.D.	
7:00 – 7:20	BOLD fMRI Physics Feroze B. Mohamed, Ph.D.	1:30 – 1:35	Introduction and Haughton Award Presentation to Dr. Kamil Ugurbil, Ph.D.	8:00 - 8:05	Welcome Kirk M. Welker, M.D.

Hotel del Coronado

1500 Orange Avenue Coronado, CA 92118

Phone: (619) 435-6611

Make Reservations

Space is Limited – Reserve Today:

Call Hotel del Coronado Reservations at: 1-800-468-3533 and provide Group Code "ASFNR" or book online at:

https://aws.passkey.com/e/49513145

About The Resort

Experience the artful blend of elegance and tradition at the Hotel del Coronado. The Del's most traditional San Diego beach accommodations reflect the resort's classic heritage in their charming décor. Housed in the original Victorian building, a National Historic Landmark, the Del blends romantic, 19th-century ambiance with modern comforts for today's traveler.

The Del is proud to present, ENO, a new culinary offering that celebrates the three most delectable indulgences in the world – fine wines, rare cheeses and gourmet chocolates. To learn more, visit www.hoteldel.com.

How to Get There

Fly directly to San Diego International Airport, located just 17 minutes from the Hotel del Coronado. Daily non-stop flights are available to San Diego for major national and international carriers.

Special Discounted Group Room Rates

Run of the House Guestrooms\$269/nt. (single/double occupancy)

Upgraded room type based on availability and at the Hotel's discretion:

Coastal View Guestrooms \$319/nt. (single/double occupancy)

Ocean View Guestrooms \$349/nt. (single/double occupancy)

Run of Junior Suites \$410/nt. (single/double occupancy)

Hotel cut-off date: September 22, 2018

(group rates 3 days prior/post – space available basis)

Hotel Tax: 11.56% Resort Fee: Waived

DEPOSIT POLICY:

Hotel requires one night's room + tax as a deposit to be charged at time of reservation.

CANCELLATION POLICY:

Refunds will be issued for rooms cancelled at least 48 hours prior to arrival date. All room cancellations after this time are subject to penalty. Check in time is: 4:00 PM; Check out time is: 12:00 Noon.

American Society of Functional Neuroradiology Membership Information/Membership Application

Membership Categories:

Member: radiologist, neuroradiologist, physicist, or scientist who practices or has a special interest in functional neuroradiology

Associate: physician, scientist, or radiologic technologist (M.D., D.O., Ph.D., R.T.) with a special interest in functional neuroradiology but who does not fulfill the criteria for Member status

Student: medical, undergraduate, or graduate student, resident or fellow. Postdoctoral fellows will be considered, if they are within four years of their doctoral degree

Membership Benefits:

- Reduced Registration Fee to attend the ASFNR Annual Meeting*
- Reduced Registration Fee to attend the American Society of Neuroradiology (ASNR) Annual Meeting
- Membership Certificate (*Member and Associate* only)
- Subscription to the American Journal of Neuroradiology at the ASNR member rate (Member and Associate only)- Optional
- Opportunity to join ASFNR Study Groups
- Opportunity to participate in the Scientific and Business Meetings, and activities of the Society
- Serve on standing committees, propose candidates for nomination, vote and hold elected office (Members only)

Applying For Membership:

If you are a current member of ASNR or:

American Society of Head and Neck Radiology (ASHNR)

American Society of Pediatric Neuroradiology (ASPNR)

American Society of Spine Radiology (ASSR)

Eastern Neuroradiological Society (ENRS)

Southeastern Neuroradiological Society (SENRS)

Western Neuroradiological Society (WNRS)

- 1. Complete #1, 2, 3, and 8 of the membership application
- 2. Include prorated dues

If you are not a current member of the above societies, and are applying for Member or Associate status, you must include the following:

- 1. Completed membership application
- 2. One sponsor letter. Sponsor must currently hold ASFNR *Member* status, or the equivalent from the ASNR, ASHNR, ASPNR, ASSR, ENRS, SENRS, or WNRS, and be familiar with the reputation and qualifications of the applicant and applicant's involvement and/or interest in functional neuroradiology.
- 3. Current curriculum vitae
- 4. Copy of Radiology Board or Subspecialty Certification (formerly CAQ) certificate
- 5. Prorated dues

If you are not a current member of the above societies, and are applying for Student status, you must include the following:

- 1. Completed membership application
- 2. One sponsor letter. Sponsor must currently hold ASFNR *Member* status, or the equivalent from the ASNR, ASHNR, ASPNR, ASSR, ENRS, SENRS or WNRS, and be familiar with the applicant's reputation, qualifications and involvement and/or interest in functional neuroradiology.
- 3. Letter from your Department Chairman verifying current status and expected date of graduation (*Student* applicants only)
- 4. Current curriculum vitae
- 5. Prorated dues

Prorated Membership Dues

ASFNR (prorated dues inc	1 st Qtr.	2 nd Qtr.	3 rd Qtr.	4 th Qtr. **	
Membership Category	Annual Membership Dues	Jan-March	Apr-June	July-Sept	Oct-Dec
Member	\$125 + \$25 application fee	\$150	\$112	\$88	\$150
Associate	\$50 + \$25 application fee	\$75	\$63	\$50	\$75
Student	\$25	\$25	\$19	\$13	\$25
Each Study Group's dues are \$10 (not prorated) - add \$10 for each group membership and indicate your selected group(s) with an "Y" Your Study					

Each Study Group's dues are \$10 (not prorated) – add \$10 for each group membership and indicate your selected group(s) with an "X". Your Study Group membership(s) will begin upon your acceptance into Society membership.

BOLD fMRI

Diffusion/Perfusion Imaging

^{**}When dues are paid in the 4th Quarter, membership is valid through the end of the following calendar year.

^{*}Deadline to Submit Membership Application: If you wish to register for the ASFNR 12th Annual Meeting at the discounted member rate, your completed application (and any required documentation and dues) must be received 30 days prior to the Meeting. You will receive an email confirming receipt of your application, after which you may register as an ASFNR member.

ASFNR Membership Application

(Please type or print legibly)

Return completed membership application, any required documentation, and dues payment to: ASFNR Membership Dept.♦ 800 Enterprise Drive, Suite 205♦ Oak Brook, IL 60523-4216

4 Easy Ways To Register

ASFNR.edusymp.com or www.ASFNR.org

We Accept

Check payable to ASFNR: ASFNR c/o Educational Symposia 5620 West Sligh Ávenue Tampa, Florida 33634-4490

VISA

(813) 806-1001 **PHONE**

(813) 806-1000

Professional Travel as the official travel agency for these meetings, claim no liability for the acts of any suppliers or the safety of any attendees while in transit to, from, or during this event or any optional activities. The total amount of liability, if any, for the meeting organizers is limited to a refund of the registration fee, and Professional Travel's responsibility is limited to that of an agent.

Special Note for the Disabled: Educational Symposia (ESI) and ASFNR wish to ensure that no individual with a disability is excluded, denied services, segregated or otherwise treated differently from other individuals because of the absence of auxiliary aids and services. If you need any auxiliary aids or services identified in the Americans with Disabilities Act, please contact our office at (813) 806-1000.

CANCELLATIONS: Request for refund of registration fees, less a \$75.00 processing fee, will be made to those providing written notification of cancellation by October 4, 2018. After that date, there will be no refunds given for cancellations. Please email notice of cancellation to: lsessa@edusymp.com or fax to (813) 806-1001.
